Old Business

Budget 2027 Public Hearing

Brenda provided a Synopsis and Analysis of the 2027 Budget to the Board at the August 25th Board Meeting. She said that the Budget notices for both libraries were submitted on September 4, 2026. There were no attendees from the Public at this meeting.

New Business

Brenda said that she had emailed the Board concerning the need to replace the garage door opener for the Garage door on the East side. It is not working at all and Ginnie has to back out to Washington Street to get out each day. She also has to park the Bookmobile outside until she is done with her routes each day. After some discussion, the Board decided to replace both garage door openers since they do not have the sensors needed to be safety compliant. Also, the Board asked Brenda to have Martin Overhead Doors inspect the garage doors while they are here installing the new openers to tell us how much longer they would be usable since they are original to the Library.

Mike Gasper made a motion to approve the purchase of 2 new garage door openers; Amanda Mang seconded; passed by unanimous voice vote.

Adjournment

Ashley Hungate made a motion to adjourn; Brian Jones seconded; passed by unanimous voice vote.

Respectfully submitted,
Nancy Wilhoit, Recorder

Brian Jones, County Secretary
